## Wolfe's Farm

April's trip is the Troop's most prized campout, one that no one should miss. Camping and fishing, cooking on fires, shooting shotguns, 22s, BBs and bows are all on the schedule. It is a great weekend spent in the woods. Come and return with us along the trout stream in central Pennsylvania. A flyer is enclosed. Contact Steve McClellan if you have any questions, 215-368-3052

### General Nash Spring Camporee

The Troop will spend a day at the Spring Camporee on April 15, 2000. Leave 7:30 AM for Delmont for a day of frontier activities and an evening OA induction ceremony, return home approx 9:00 PM. Contact Don Gallagher on 215-855-2112 for information and get a permission slip at our meetings.

### TRASH BASH

BFI has requested the assistance of 8 to 10 scouts at their Trash-O-Ree scheduled on Sat 4/15/2000 at Parkside Place in Upper Gwynedd. Listen for more information at the next Troop meeting.

### FRIENDS OF SCOUTING

Troop 152 is proud to announce that we are the number 1 contributor in Gen Nash District. Thank you! Contact Rob Nagele, 215-699-4779 if you are interested in making it an even 3000!

### DeLong & DeShort of It

Harrisburg was a great trip. Thanks go to our State Representative, John Fichter, who took time out of his busy schedule to be at the Capital. The Troop appreciated his tour of the Capital Building and our group picture session. Thanks also go to Jon Gorman and Jim Faber for organizing the trip and directing the "scenic tour of the suburbs of Harrisburg. Where does 322 insect with 22? Harry Weber also gets an honorable mention for the fourth type of meal preparation (Old Country Buffet). Of course the trip could not be possible without the participation of the adult leaders; Bob Dantzer, Barry Hornberger, Floyd Nellet, Frank O'Hara, Steve McClellan, Martin Schneider, Dave Siebert, and Bill Thorpe. Thanks to one and all for joining in on this trip. I think some time on one of the training nights prior to the Wolf's Farm Trip will be spent on the identification (in all four seasons) of poisonous plants of Pennsylvania. Maybe, Mr. Nagele will give us all a refresher course in Wilderness Survival. It would seem we could use some urban (or suburban) survival tips also.

Paul DeLong
