DeLong & DeShort of It

The first weekend of the Spring that the weather cooperated, the Troop went on a canoe trip to the Wading River in New Jersey. It was a fantastic weekend. The sun was bright and warm and the water was just right for wading. It was a pleasant four hour trip down the river (more the size of a stream in most places) but nonetheless a great day in the Pine Barrens. We got back in time to have a leisurely dinner that was well prepared. Thanks to all that went on the trip and helped to make it a success. Many thanks to Shelly Yost for organizing it and Chris Nagele for pulling the trailer. A special thank you to Lisa Steuer who was our certified CPR person for the trip. Thankfully, there was no need for that expertise, but it was good having her along. Thanks to all the other Leaders, both adult and youth that made the trip a wonderful weekend.

Member News

Please congratulate Bryan Kobe and John Pilla upon achieving the rank of **LIFE** Scout. Many of our Life Scouts are organizing their Eagle Projects. They announce the project and dates at our regular meetings and request volunteers.. Encourage your scout to participate in these worthy community service projects. The experience will provide service hours to his advancement record, give him an idea of the scope of an Eagle project, and leave him with a great feeling of helping others.

BASICS BOX
EMERGENCY PHONE CONTACTS

Emergency phone number contacts are critical when your scout is attending a scouting function. Please keep the leaders informed as to where you will be and how you can be reached while your scout is attending a troop 152 function.

Scout leaders are responsible to assess your scout's need for medical assistance. In the event of a medical emergency, the leaders will get your scout to a hospital. Hospital medical

professionals will not treat your scout unless a family member has been consulted, even if a consent signature is on their BSA medical form. If you or another family member cannot be reached, treatment will be delayed.

This delay can be agonizing for a scout, and the Scout leaders who must accompany him to the hospital. So here are some tips to keep in mind when your scout is out and about with the troop.

- Make sure emergency contact phone numbers are listed on trip permission slips and on your scout's BSA medical form.
- Keep a pager or cell phone with you and give us the numbers
- Use answering machines and check them often during the outing
- List an alternate family member and phone number and let them know where you can be reached.
