Troop 152 Wreath Sale

It's that time of the year again! The troop's fundraiser has kicked off. This is the only fundraiser we have to fund the Troop's activities. What is unique is that this fundraiser can fund your trips as well! We would like every scout to sell at least twelve wreaths.

These are Fraser Fir Wreaths grown in North Carolina, and delivered to us the day after Thanksgiving.

The point distribution is as follows:

Sell 1-24 wreaths per family, 2 Scout points per wreath

Sell 25+ wreaths per family, 3 Scout points per wreath

Wreath sales from a family of Scouts/Scouters will be combined to establish point awards. However, each scout/scouter must report their sales individually to establish scout point distribution among family members.

Points can be redeemed for scouting trips. Scouts have been known to pay for summer camp from wreath sales! This is a busy time of year, but work now can result in a lot of free trips! The money from this fundraiser supports the troop and is used to purchase equipment.
