June 18-20
Slips Due June 8

The troop has camped a lot at Firestone over the years, but always misses the amazing summer season. This year we fix that. Saturday will be spent hiking and exploring along the Bushkill river, and camp in general. Depending on restrictions we may even be able to do some cooking requirements. We will be camping in Bear Hollow site, which is large, flat and mostly free of rocks. There are also several meadows for stargazing, and some great venues for capture the flag at night.
